

# Great Escape

Words & Music by: Divine Attraction

## Verse 1:

When I Speak Your name  
All darkness flees  
My faith in You  
Cause storms to cease  
I'm not afraid of what tomorrow brings  
For You make each day  
You're all I need

## Verse 2:

You hold my life  
And light my path  
Through the darkest nights  
In valley's low  
I run to Your arms  
You draw me close  
In Your presence I am home

## Chorus:

My great escape

## Bridge:

Forever and always  
I am with you
