

You Never Let Me Go

Words & Music by: Divine Attraction

Verse 1:

You take all my cares away
You can move mountains
I don't have to be afraid
For You I know
Are God and, all things are possible
Are God and, none can replace

Verse 2:

You take all my cares away
You draw me closer
Trusting every step I take
For You I know
Are God and, all things are possible
Are God and, none can replace

Chorus:

Jesus,
Lover of my soul
You never let me go
You never let me go
Jesus,
It's Your love that covers everything
I hold You close inside of me
I'll never let You go
